

### **Release of Photograph and/or Name**

Chambers County Library System and its employees may photograph or video individuals or groups participating in library-sponsored activities. These photos, digital reproductions, or videos, as well as participants' quoted or recorded statements and/or names, may be used for promotions, advertisements, publicity, and other purposes including flyers, newspapers, and websites. Participants authorize having photographs or videos taken and used for the aforementioned purposes.

Any patron who does not wish to have his or her, or his or her child's, photograph or video used must notify library staff.
